Selection Process

- Company selections are made on an ongoing basis
- Selection Committee members typically refer the CFF project team to the CEO of a company of interest
- The CFF project team then briefs the company of interest on the opportunity to present at the CFF and provides them with an application form
- The company provides a verbal commitment of its interest to present and submits a completed application form, which must be submitted before the company can be formally selected
- The Selection Committee grants final approval of all company selections
- Presenting companies will then receive a formal offer letter from the CFF project team

Registration Costs

- \$1,095.00 CDN (Presenter)
- \$595.00 CDN (Each Additional Delegate)
- Once a company has received their formal offer letter, online registration and payment must be completed within one week in order to confirm acceptance

Logistics

- The CFF is a showcase opportunity for exceptional technology companies - presenting companies need not be actively fundraising in order to present
- Detailed program, timings and logistical details will be forwarded upon company selection
- Company profiles to be submitted to the CFF project team following approval from the Selection Committee
- Company presentations are to be a maximum of 8 minutes
- PowerPoint slides must be submitted in advance
- Presenting Companies have the opportunity to set up an exhibitor booth at the Forum
